Under 42 U.S.C. § 1983, you may sue state or local officials for the “deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws].” Under *Bivens v. Six Unknown Named Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971), you may sue federal officials for the violation of certain constitutional rights.

**A. Are you bringing suit against (*check all that apply*):** Federal officials (a *Bivens* claim) State or local officials (a § 1983 claim)**B. Section 1983 allows claims alleging the “deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws].” 42 U.S.C. § 1983. If you are suing under section 1983, what federal constitutional or statutory right(s) do you claim is/are being violated by state or local officials?****C. Plaintiffs suing under *Bivens* may only recover for the violation of certain constitutional rights. If you are suing under *Bivens*, what constitutional right(s) do you claim is/are being violated by federal officials?**

---

D. Section 1983 allows defendants to be found liable only when they have acted “under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia.” 42 U.S.C. § 1983. If you are suing under section 1983, explain how each defendant acted under color of state or local law. If you are suing under *Bivens*, explain how each defendant acted under color of federal law. Attach additional pages if needed.

### III. Statement of Claim

State as briefly as possible the facts of your case. Describe how each defendant was personally involved in the alleged wrongful action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

A. Where did the events giving rise to your claim(s) occur?

General downtown Buffalo area

667 Main Street Buffalo NY 14203

300 Ellicott Street Buffalo NY 14203

Numerous bars & Restaurant all over downtown Buffalo

---

B. What date and approximate time did the events giving rise to your claim(s) occur?

Ongoing since my immediate arrival in Buffalo Mid May 2015

Problems not only have persisted since and have gotten increasingly worse and worse like a technology war, in addition after trying to leave the area in 2016 Byron Brown was sighted in Portland Maine and Ocean City Maryland with Patricia Bates

---

C. What are the facts underlying your claim(s)? (For example: *What happened to you? Who did what? Was anyone else involved? Who else saw what happened?*)

I do not know his exact reasons but Brown has facilitated the 2008 thieves insurrection in murdering and torturing me

Since the day I arrived in May 2015 I was deliberately kept from being allowed to sleep at the Buffalo rescue mission

I've been repeatedly attacked with type of poisoning causing gushing nose bleeding, a type of mind control torture attacks to create the illusion of a behavior problem or caused problem, part of my brain was damaged with laser weapons to facilitate overpowering my brain using the understanding of collective consciousness in conjunction with the ability to focus the Brians radio like waves to overpower my brain may or may not involve using electronic equipment

Falsified Police reports and using caunty hospital to falsify mental illness in addition to using networks to ruin my job and create frightening my coworkers and people around me I also believe

---

#### IV. Injuries

If you sustained injuries related to the events alleged above, describe your injuries and state what medical treatment, if any, you required and did or did not receive.

Injuries to lungs, testicles, brain, using mafi networks at restaurants including at my work by kitchen staff and Erie County medical center kitchen staff to distribute poison, I think in about 2 weeks if same poison used by the thieves insurrection at the Vinyard Church was used again days ago it's possible I might die

The same red haired women who was involved in this attack November 2011 was in Buffalo day before I had. Same feeling of the same attack that takes weeks and involving radiation assault weapons also in initial days after poisoning, I'm currently protecting my liver with lead sheets and naturally protecting back with usual black lead shielding to prevent being completely disabled by the vulnerability of having a L10 vertebra

My bladder is being constantly attacked making sleeping nearly impossible and is tortuous to constantly have the feeling of having to urinate, constantly every single day since arrival in January 2020 injuries to neck and butox muscles lower back muscles but I almost always now cover critical area of lower back

---

#### V. Relief

State briefly what you want the court to do for you. Make no legal arguments. Do not cite any cases or statutes. If requesting money damages, include the amounts of any actual damages and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

I need the cereal killer thieves insurrectionists campaign who burglarized my mother's home during April - May 2008 forcibly stopped and have no way of getting hundreds of restraining orders possibility of thousands let alone all of the felony crimes conspiracy to commit murder & grand larceny, assault with deadly weapons malicious harrassment, slander false imprisonment, drug trafficking used repeatedly as either murder weapons or to conceal falsifying testimony,

Brown seems to be personally involved in poisoning at Preble Street in Portland Maine, I believe I saw him there, the first time that chemical weapon was used was after arriving in Buffalo but closer to the time of the arson in October, November 2015

---
